

Lyons Emergency & Assistance Fund, LEAF, is expanding its Mental Wellness & Addiction Recovery Program to include more addiction and youth-related services. We are looking for clinicians to support LEAF's provision of community-based mental health and addiction/substance abuse treatment in the Greater Lyons, Colorado area.

**Licensed Professional Counselor Candidate (LPCC)  
Or  
Licensed Clinical Social Worker Provisional (LCSWP)**

- Lyons Emergency & Assistance Fund (LEAF)
- Lyons, CO 80540
- In-person position
- Two part-time positions (20-30 hours) or potentially one full-time position available
- \$25 per hour

**Required Qualifications**

- Master's program graduate, working on supervision hours towards LPC or LCSW licensure
- Holds an LPCC or LCSWP with DORA
- Holds CAT or CAS credential, or is willing to explore obtaining

**Expectations**

- Interested in leading group work and practicing individual counseling, with some focus in addictions counseling and youth program modalities
- Desire to co-create new programming, with focus on youth and addiction/substance abuse services
- Ability to work independently and in collaboration with supervisory team and program staff
- Ability to assess, diagnose, do client intake, and maintain records appropriately
- Open minded, non-judgmental, self-motivated, compassionate, and flexible
- Ability to exercise discretion and maintain confidentiality in a mountain community setting
- Ability to manage crisis situations clinically when necessary
- Understanding of rural/mountain culture or interest in learning, with a desire to work in a small mountain community
- Other duties as assigned

**LEAF LYONS | PO BOX 324, 350 MAIN STREET | LYONS, CO 80540 | LEAFLYONS.ORG**

## **Benefits**

- Flexible schedule
- We provide no-cost supervision for Colorado LPC, LCSW, and LAC licensures
- Billing and documentation incorporated, client base, office space, and office support
- As a 501c3 nonprofit organization, LEAF employees may qualify for student loan forgiveness
- Phone stipend
- Paid time off
- We're located in the beautiful foothills of Boulder County, Colorado

## **Job Description**

We are looking for a part-time, integrative mental health clinician who is interested in trauma-based and addiction-related modalities and seeking to work with clients in a mountain-based community. This therapist will lead groups, administer individual counseling, co-create and implement new programming around youth and substance abuse/addiction recovery, and participate in some community-based events.

## **About LEAF:**

LEAF offers a human services safety net in the Greater Lyons area. Our five wrap-around programs include Lyons Community Food Pantry, Lyons Meals on Wheels, Basic Needs & Resource Matching, Mental Wellness & Addiction Recovery, and Lyons Volunteers. As a small local agency, LEAF is creative, collaborative, and nimble in our work environment and service delivery. We're growing, and this is an exciting time to join our team. Visit [leaflyons.org](http://leaflyons.org) to learn more about what we do.

## **About LEAF's Mental Wellness & Addiction Recovery program:**

LEAF launched community-based mental health services in Lyons in the Fall of 2019. We work from a trauma-informed approach to provide behavioral and addiction/substance abuse services in the community. We provide LPC Candidate, LCSW Provisional, and LAC (Licensed Addictions Counselor) supervision.

## **How to apply:**

- Email [work@leaflyons.org](mailto:work@leaflyons.org).
- Attach a CV and a brief cover letter describing your interest in the position.
- No phone calls, please.
